## **Listening to Rural Midwestern Idioms/Folk Sayings** Bob Bohlken, Ph.D.

This collection of regional country history reveals the events, experiences and lives of early farm folks through their sayings and curious expressions. These informal sayings are colored with allusions from the past and touched with a bit of humor. Some may appear to be crude and crass, but they are authentic. An entertaining guide that will keep the reader chuckling as expressions are recalled from an almost lost early rural culture.
