Pericles, Prince of Tyre (The New Cambridge Shakespeare)

William Shakespeare

Pericles, Prince of Tyre (The New Cambridge Shakespeare) William Shakespeare

Over the past two decades there has been a resurgence of theatrical interest in Shakespeare's Pericles, which has been rescued from comparative neglect and is now frequently performed. This development is charted in the introduction to this edition, which differs radically from any other currently available. Doreen DelVecchio and Antony Hammond reject the critical orthodoxies of a corrupt text and divided authorship. Instead they show the play to be a unified aesthetic experience. The result is a more enthusiastic view of Pericles than that of other editions.
