Places—buildings, neighborhoods, landmarks, and cultural and commercial institutions—help define a city's unique character, its "sense of place." This is the key concept behind *Placenotes*, a wholly new type of travel book that features the "one of a kind" places that make a city distinctive. This set of *Placenotes* guides you to places where you can experience the authentic culture of Houston. For visitors, these are the "must see" places. For Houston residents, *Placenotes* offers the perfect opportunity to become deeply acquainted with the places that distinguish their city from all others—an opportunity to invest in the life of the place.

Not a conventional travel book, *Placenotes—Houston* is a set of individual cards that describe forty-seven unique places in the city. The front of each card has a color photograph that captures the spirit of a particular place. The back of the card tells the story of the place, often with commentary by a local expert. It also provides all the practical details people need to plan their visit. A Houston map, index of places, and key to symbols card comes in the set. The cards are contained in a sturdy box with a lid that snaps shut with invisible magnets.
