Bristol Cars Model by Model Michael Palmer

The Bristol badge sat proudly on a succession of fast, reliable and expensive 6-, 8- and 10- cylinder cars since 1946. Though it was initially revered by the motoring press, an air of mystery descended over the marque throughout the 1980s and 1990s. Now under new ownership, Bristol is to be reborn with new state of the art models proposed. As a compliment to the revival, this book celebrates the rich diversity of each model from Bristol Cars' production catalogue.
