**A fresh, funny take on the Day of the Dead that's packed with kid appeal!**

Every skeleton in the Land of the Dead is excited to celebrate *el Día de los Muertos* with the Living. But not Angelito. His big sister has told him all about their horrifying bulgy eyes and squishy skin. So when Angelito is separated from his family in the Land of the Living, he's petrified—until he makes a new friend who is just as terrified of THEM as Angelito is. Then his new buddy turns out to be (gulp!) *a living boy!* Angelito runs as fast as his bony feet can carry him. Fortunately the traditions of the Day of the Dead reunite the two boys, just in time for some holiday fun.

Full of wild, Tim Burton-esque art, this clever tale is sure to become *un libro favorito* for the Day of the Dead, Halloween season, and beyond.

“A colorful story about facing fears and accepting differences . . . lush and vibrantly hued . . . The ending satisfies, and the story as a whole addresses many issues pertinent to primary- grade children.”—*School Library Journal*
