The Great Climate Robbery: How the Food System Drives Climate Change and What We Can Do About It GRAIN

In *The Great Climate Robbery* highly respected non-profit Grain connects analysis of the food system to larger issues affecting the planet, and links peoples' struggles over food to climate change.

The collected articles in this book will help readers to understand the ways in which corporations seek to control the food system, and give information and analysis to challenge this control. This book features endorsements from Naomi Klein, Bill McKibben, and Vandana Shiva.

Henk Hobbelink is a member of the Grain collective, an international non-profit that works to support small farmers and social movements in their struggles for community-controlled and biodiversity-based food systems.
