Jacques Lacan and the Other Side of Psychoanalysis: Reflections on Seminar XVII [Series: SIC 6]

Jacques Lacan and the Other Side of Psychoanalysis: Reflections on Seminar XVII [Series: SIC 6]

This collection is the first extended interrogation in any language of Jacques Lacan's *Seminar XVII*. Originally delivered just after the Paris uprisings of May 1968, *Seminar XVII* marked a turning point in Lacan's thought; it was both a step forward in the psychoanalytic debates and an important contribution to social and political issues. Collecting important analyses by many of the major Lacanian theorists and practitioners, this anthology is at once an introduction, critique, and extension of Lacan's influential ideas.

The contributors examine Lacan's theory of the four discourses, his critique of the Oedipus complex and the superego, the role of primal affects in political life, and his prophetic grasp of twenty-first-century developments. They take up these issues in detail, illuminating the Lacanian concepts with in-depth discussions of shame and guilt, literature and intimacy, femininity, perversion, authority and revolt, and the discourse of marketing and political rhetoric. Topics of more specific psychoanalytic interest include the role of *objet a*, philosophy and psychoanalysis, the status of knowledge, and the relation between psychoanalytic practices and the modern university.

Contributors. Geoff Boucher, Marie-Hélène Brousse, Justin Clemens, Mladen Dolar, Oliver Feltham, Russell Grigg, Pierre-Gilles Guéguen, Dominique Hecq, Dominiek Hoens, Éric Laurent, Juliet Flower MacCannell, Jacques-Alain Miller, Ellie Ragland, Matthew Sharpe, Paul Verhaeghe, Slavoj Žižek, Alenka Zupancic
