For centuries the words and poetry of our hymns have spoken to us of God. Many people, in fact, find that what is heard in poetry and music sinks more deeply into the soul than anything else. And so it is to the beautiful seasonal hymns that Barbara Cawthorne Crafton turns for inspiration for daily meditations during this great devotional season of the church year.

"I hope that you find yourself humming familiar tunes to yourself as you read, and that this condition persists for the rest of the day," writes Crafton. Those who have known the hymns forever as well as those who are new to these verses will find them, and Crafton's meditations on faith, prayer, forgiveness, healing and more, an excellent companion for these important seasons of the year.
