The Ambassadeur 2500C, a small casting reel capable of handling fine lines and light baits, was first produced in 1975. This book provides a comprehensive history and taxonomy of this legendary family of fishing reels, which is cherished and admired by anglers, collectors, and tournament casters alike. Find information on variations from 1975 to the present, Ambassadeur De Luxe versions and other special editions, fakes, tournament modifications, and market prices, as well as detailed tables and charts with exhaustive technical information. Since its invention, the 2500C has been followed by 60 further types, all crafted around the same general principles. The current casting world record for 5/8-ounce plugs was set with an original Ambassadeur 2500C, and the reel has acquired such a trusted reputation that many anglers refuse to fish with any other type of reel.
