Stone

Naomi Buck Palagi

Stone Naomi Buck Palagi

In Buck Palagi's *Stone*, the words are pulled from the ground, vivid and durable—poetic stones of memory and contemplation. Her poetry shows a connection to the earthen, the bodily, while engaging in contemporary and playful poetic practice. The words in this first book signal a fully formed poet we surely need to follow.

—William Allegrezza

Naomi Buck Palagi's first book, *Stone*, reads as a series of glorious poetic projections, in which the boundaries between self and world are subtly called into question. Here the speaker's inner life shapes her experience of the world around her, as every "stride through clouds" also functions as a meditation on love, loss, and longing. Buck Palagi deftly weaves landscape into dreamscape, the natural world revealing innumerable facets of the speaker's inner life, all the while beckoning us "as if we should greet it." This is a memorable debut from a gifted poet.

—Kristina Marie Darling, author of *Dark Horse*

From reader reviews:

Olga Harrington:

Do you among people who can't read pleasant if the sentence chained within the straightway, hold on guys this aren't like that. This Stone book is readable by simply you who hate the straight word style. You will find the details here are arrange for enjoyable studying experience without leaving also decrease the knowledge that want to deliver to you. The writer of Stone content conveys prospect easily to understand by many individuals. The printed and e-book are not different in the content but it just different such as it. So , do you nevertheless thinking Stone is not loveable to be your top collection reading book?

Virginia Hause:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is in the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Stone as your daily resource information.

Mary Christensen:

Reading a book tends to be new life style within this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some investigation before they write with their book. One of them is this Stone.

Jessica Duncan:

What is your hobby? Have you heard in which question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person such as reading or as studying become their hobby. You need to understand that reading is very important and book as to be the factor. Book is important thing to add you knowledge, except your current teacher or lecturer. You see good news or update with regards to something by book. Different categories of books that can you choose to adopt be your object. One of them is Stone.
