## **Mary of Nazareth: History, Archaeology, Legends** Michael Hesemann

This is the first archaeological and historical biography of the most fascinating and revered woman in history, the Mother of Christ. Millions of faithful around the world invoke her as their Queen, Protectress and Advocate. But who was this extraordinary woman chosen by God to give birth to the Savior? Michael Hesemann searched for her traces in Italy, Israel, Turkey and Egypt. Based on biblical traditions, legends and archaeological discoveries, he reconstructs the life of Mary of Nazareth, the Mother of the Messiah.

From the most ancient icon of Christianity to the Holy House in Loreto, from the Grotto of Nazareth to the refuge of the Holy Family in Egypt, from Mary's residence in Ephesus, Turkey, to Mount Zion and her empty tomb in Jerusalem, this is a journey of discovery, full of surprising insights that deepen our faith in the great mystery of the Mother of God.
