## **Sentenced to the Punishment Clinic** Carole Archer

As the world has struggled in the wake of an economic crisis that brought much of society to its knees, twenty-five-year-old Maria Davis has grown adept at living on the streets and stealing from the homes of the rich and powerful, but her luck runs out when she is caught in the act of robbing the home of a high-ranking government official. Sentenced to a day in the Punishment Clinic, she faces what will be by far the most humiliating experience of her life.

She will be stripped naked, intimately examined, thoroughly cleaned both inside and out, and spanked long and hard, and that will only be the beginning. Helplessly aroused and completely on display, she will learn what it truly means to blush as she is brought to one quivering climax after another, and before her sentence is complete she will beg to be taken long and hard in the most shameful way possible.

Publisher's Note: Sentenced to the Punishment Clinic is not a romantic story and it is not for the faint of heart. It is pure erotica that includes sexual scenes and sexual punishments, extensive medical play, spankings, anal play and punishments, exhibitionism, elements of BDSM, and more. If such material offends you, please don't buy this book.
