Sindbad: From the Tales of the Thousand and One Nights

Sindbad: From the Tales of the Thousand and One Nights

Perhaps the best known of the **Tales of the Thousand and One Nights** are those about Sindbad the Sailor. For centuries, people have been fascinated by the stories of a simple, sometimes confused, sailor who mistakes a giant whale for a lovely island and the egg of the Roc (a bird so huge that she can carry an elephant in her talons) for a mountain. Sindbad encounters many dangers, but he prevails in this irresistible trilogy, thanks to nothing but his own wits. Ludmila Zeman's exciting text and lavish illustrations have made **Sindbad**, **Sindbad in the Land of Giants**, and **Sindbad's Secret** an international and critical success.
