## **The Broken Way: A Daring Path into the Abundant Life** Ann Voskamp

New York Times best-selling author of *One Thousand Gifts* Ann Voskamp sits at the edge of her life and all of her own unspoken brokenness and asks: What if you really want to live abundantly before it's too late? What do you do if you really want to know abundant wholeness? This is the one begging question that's behind every single aspect of our lives --- and one that *The Broken Way* - also a New York Times bestseller - rises up to explore in the most unexpected ways.

This one's for the lovers and the sufferers. For those whose hopes and dreams and love grew so large it broke their willing hearts. This one's for the busted ones who are ready to bust free, the ones ready to break molds, break chains, break measuring sticks, and break all this bad brokenness with an unlikely good brokenness. You could be one of the Beloved who is broken --- and still lets yourself be loved.

You could be one of them, one who believes freedom can be found not only beyond the fear and pain, but actually *within it*.

You could discover and trust this broken way --- the way to not be afraid of broken things.
