The Secret Seder Doreen Rappaport

Jacques and his parents are hiding in Nazi-occupied France during World War II, pretending to be Catholics. On the first night of Passover, Jacques and his father elude Nazi soldiers to gather with other Jews and celebrate the Seder in secret. For this book, Doreen Rappaport researched the lives of resistance fighters and Jews in hiding: brave men and women who managed to survive one of the darkest times in history with their faith intact. Emily Arnold McCully's intense and respectful paintings illuminate the perils of a turbulent time and the triumphs of a resilient people.
