The Song of Songs: A Woman in Love

Benjamin J. Segal

The Song of Songs: A Woman in Love Benjamin J. Segal

A love poem as old as the Bible, as contemporary as today...

One love poem the Bible's Song of Songs continues to be read and to inspire after thousands of years. Using the best of biblical scholarship and sharp literary analysis, Benjamin Segal's new translation and commentary reveal a picture of ideal love so appealing that it became for centuries the monotheistic model of human-divine attachment. Here one also finds a rare ancient effort to capture the female voice. Segal's literary analysis captures the pulsating rhythm of the poem, and allows the reader to confront its ever-contemporary and challenging view of love.
