Three of Hearts (Arwin Adventures) (Volume 3) Donna Lee Peabody

Malcolm has ruled the troubled Duchy of Black March for four long, lonely years. After he meets Beth, a war widow with a young son, he finds true love at last. But can he convince her five overprotective brothers to trust him? Can he persuade her to give their love a chance? This tale unfolds in two versions. Both stories are essentially the same; however, in Unleashed, the reader is invited behind the doors, revealing the more erotic, passionate side of their relationship. Unleashed contains scenes of domination and submission, and more explicit sexual situations that will tantalize any erotic reader. This is their story of love, loss, loneliness, and, ultimately, trust. Choose your version and follow their love wherever it leads.
