Wave-Finder Surf Guide Indonesia

Wave-Finder Surf Guide Indonesia

Written by 2 time Pipeline Master Larry Blair, Wavefinder Indonesia offers a complete surf guide to one of the world's most popular surf destinations. With more than 200 individual surf spots backed up by our unique Surfer's Eye maps, Wavefinder Indonesia packs all you'll need to know about Indo surf spots into a neat pocket- sized guide book. From the dangerous, almost unmakeable waves at Panaitan Island, through the pure natural-foot perfection of Lagundri Bay, to the ocean-going adventure off the Mentawais, the dense jungle lifestyle of Grajagan, volcanic power at Canggu, madness and fun at Halfway Kuta, impossibly long lines at Impossibles, shallow green reef barrels at Padang, mellow high tide at Geger, the 'waiting game' at Desert Point and Sumbawa's crowded Lakey Peak. Wavefinder Indonesia lists the key swell, tide and wind data on more surf spots than any other surf guide.
