## **Little Pig is Capable** Denis Roche

Do your parents ever worry about you? Do they constantly remind you to look both ways when you cross the street or to always eat a sensible lunch? Well, your parents aren't half the worrywarts that Little Pig's parents are! Little Pig can hardly leave the house without:

- sunscreen (for his sensitive piggy skin),
- a scarf (in case the temperature drops),
- water wings (because there's water everywhere),
- insect repellent (some mosquitoes are as big as birds),
- and a hat (also for his sensitive piggy skin).

When Little Pig's Snout Scout troop goes on a hiking trip, he shows that he is clever, resourceful, and capable—all on his own.

#### **Karl Henderson:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Little Pig is Capable can make you feel more interested to read.
