Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

This Nerves and Common Sense can be the reply, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Sharon Wilson:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Nerves and Common Sense can make you feel more interested to read.
