Woman to Woman: Preparing Yourself to Mentor Edna Ellison, Tricia Scribner

Many Christian women have come to understand our biblical mandate for life-on-life discipleship of someone younger in the faith. Most women embrace this role, though, with at least some uncertainty about their ability to carry such a great responsibility. A biblically-based personal study, *Woman to Woman: Preparing Yourself to Mentor* will guide a woman step-by-step through the process of readying herself for such a relationship. This study will help the mentor-to-be to evaluate her own gifts and how they can be used in mentoring, to examine the different possible roles of a mentor, to develop a plan for starting off the mentoring relationship in a positive way and to avoid the dangers that befall mentoring relationships.
