New Ways with Paint Andrea Maflin

TV designer Andrea Maflin demonstrates imaginative techniques using a variety of paints. In this book she looks in detail at the myriad paint finishes now available, illustrating their qualities and possible uses, then explores the range of effects, textures and patterns that can be reproduced. Andrea combines these elements and demonstrates how to use them in actual rooms and within a particular decorating theme. Using a tantalising range of paints, techniques and room styles, *New Ways with Paint* introduces a fresh approach to paint and forecasts the future of home decoration.
