**Nights in Aruba: A Novel** Andrew Holleran

This groundbreaking novel of gay life centers around Paul, an uneasy commuter between two parallel worlds. He is the dutiful son of aging, upper-middle-class parents living in Florida, and a homosexual man plunged deliriously into the world of New York City's bars, baths, and one-night stands. With wry humor and subtle lyricism, Holleran reveals the tragedy and comedy of one man's struggle to come to terms with middle age, homosexuality, truth, love, and life itself.
