From the authors of the internationally bestselling *QBQ! The Question behind the Question* comes an inspiring new take on parenting.

How often have you heard complaints like these?

-Why don't my kids do what I say? -Who made the mess in here? -When will my teen make better choices?

These are the kinds of questions parents ask that lead not only to complaining but to victim thinking, procrastination, and blaming. The solution: learn to parent the QBQ way - and bring personal accountability to life within our families.

Based on the same concepts that have made John Miller's signature work, *QBQ: The Question behind the Question*, an international bestseller over the last decade, *Parenting the QBQ Way* provides a tool called the QBQ - the question behind the question. This valuable tool will help every parent look behind questions such as, why won't my kids listen? or, when will they do what I ask? to find better ones - QBQs - like, what can I do differently? or, how can I improve as a parent? This simple but challenging concept turns the focus - and responsibility - back to parents and to what they can do to make a difference.

With thoughtful commentary, observation, and advice and illustrated with the engaging and memorable anecdotes that are the hallmarks of John Miller's previous books, *Parenting the QBQ Way* provides all moms and dads with the means and inspiration to be more effective parents - as well as teach their children how to practice their own brand of personal accountability - to create a happy, healthy family for a lifetime.
