A Blind Guide to Normal Beth Vrabel

Richie “Ryder” Raymond has a gift. He can find the punchline in any situation, even in his limited vision and prosthetic eye. During the past year at Addison School for the Blind, Ryder’s quick wit earned the respect and friendship of his classmates. Heading to mainstream, or “normal,” school for eighth grade is going to be awesome.

After all, what’s not to like? At Addison, Ryder was everyone’s favorite person. He could make anyone laugh, especially his best friend Alice. So long as he can be first to make all of the one-eyed jokes, Ryder is sure he’ll fit in just as quick at Papuaville Middle School, home of the Fighting Guinea Pigs. But Alice warns him fitting in might not be as easy as he thinks.

Turns out, Alice was right. In just the first hour of “normal” school, Ryder is attacked by General MacCathur II (aka, Gramps’s cat), causes his bio teacher to pass out cold, makes an enemy out town hero Max, and falls for Jocelyn, the fierce girl next door who happens to be Max’s girlfriend. On top of that, Ryder struggles to hold onto his dignity in the face of students’ pity and Gramps’s non-stop practical jokes.

Ryder quickly sees the only thing worse than explaining a joke is being the punchline. But with help from his stuck-in-the-70s Gramps and encouragement from Alice, Ryder finds the strength to not only fight back, but to make peace.

This exciting sequel to *A Blind Guide to Stinkville* weaves humor, recovery and second chances into an unforgettable story, with characters who will hook you from page one.

From reader reviews:

Frances Heath:

The book A Blind Guide to Normal give you a sense of feeling enjoy for your spare time. You can use to make your capable more increase. Book can to become your best friend when you getting stress or having big problem with your subject. If you can make reading through a book A Blind Guide to Normal being your habit, you can get more advantages, like add your personal capable, increase your knowledge about many or all subjects. You could know everything if you like wide open and read a e-book A Blind Guide to Normal. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other people. So , how do you think about this guide?

Michael Floyd:

People live in this new day time of lifestyle always try and and must have the spare time or they will get large amount of stress from both daily life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we request again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer will unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, the actual book you have read is usually A Blind Guide to Normal.

Gloria Duncan:

Your reading sixth sense will not betray an individual, why because this A Blind Guide to Normal publication written by well-known writer we are excited for well how to make book that could be understand by anyone who read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your personal hunger then you still skepticism A Blind Guide to Normal as good book but not only by the cover but also by the content. This is one publication that can break don't judge book by its deal with, so do you still needing an additional sixth sense to pick that!?. Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.

Delores Keener:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this A Blind Guide to Normal can make you sense more interested to read.
