At Grand Convention we repeatedly were asked, "How can I get a copy of the Essential Oil Desk Reference 1st Edition?" Our answer then was, "Sorry, you can't." All that has changed... We heard the requests and commissioned a collector's edition printing for those who weren't fortunate to get this coveted piece in their personal library. For a limited time, we will offer the 1st! This is the information that comes, unabridged, directly from the original printing. Now you have the chance to own the book that started it all, the volume that was with Young Living from the very beginning! The great news is that this Collector's volume will be available to those who have never seen them. The downside is that there will be a limited number. Once they are gone, they are gone forever. Be sure to order yours today!
