Go inside the Animal Liberation Front.

Written by former Animal Liberation Front organizer Keith Mann, *From Dusk 'til Dawn* is a detailed account of the advance of the radical Animal Liberation Movement, from the English hunt saboteurs of the 1960's, to the Animal Liberation Front of the 1970's and 80's, to the focused direct action campaigns of the 1990's. Daring stories of masked liberators spiriting animals from labs in the middle of the night, militant vegans firebombing egg farm trucks, and the dramatic government response.

Fifteen years in the making, *From Dusk 'til Dawn* was born during Keith Mann's lengthy prison sentence for Animal Liberation Front actions. His escape from custody in 1994 nearly scuppered the project but his determination to document the growth of the animal liberation movement ensured its completion. *From Dusk 'til Dawn* is a must-read for anyone wishing to understand why people break the law and give their lives to rescue animals from exploitation.
