Return to Freedom: A Traveler's Thoughts on Life, Love and the Fate of the World Mathijs Koenraad

A collection of half-finished thoughts on the meaning of love, money and wealth, the self and other, the search for humanity, good versus evil, living in cities, and the fate of the world. Life's unfair. An innocent traffic victim that ended up in a wheelchair may wonder each night, "Why me?" But perhaps life deals each the blows we can take, because no one else could. Life chose us for a reason. At some point in their lives, those that took the biggest blows will learn they have become the strong, and that the world, while fearful of their resentment, seeks guidance in their love. Only the weak turned strong know what love means. We take the blows, so others don't have to.
