## Why Me? The Courage to Live Deborah Kent

### A Stolen Life

One minute Chloe Peterson was a happy, busy teen, going to school, working at a vet's office, and trying out for *The Sound of Music*. Then her world fell apart. It began with headaches, fever, and aching stiffness that left her weak and dizzy. Then Dad was laid off from his job. And Mom began working overtime, so they rarely saw her anymore.

The doctor said Chloe's problem was stress. But the vitamins he recommended didn't work. There was never a right time to approach Mom or Dad...until she collapsed. Todd Bowers, the cute guy she met at the vet's, had seen it coming. He tried to help. She almost let herself believe they could be a couple.

But when Chloe landed in the hospital, everything changed. Suddenly she was fighting for her life -- against the greatest enemy of all: herself. Who could help her now? Was Todd's feeling for her real -- or pity? Could she dare take the ultimate risk and believe that he really cares?
