The Wyoming men are back! In their quest for true love on the range, are these ranchers bold enough to open their hearts to the women under their protection?

Ren Colter may own an enormous ranch in Wyoming, but he scorns his wealth. He's closed himself off since his fiancée left him months ago, so he's shocked when he allows Meredith Grayling to stay with him. He tells himself it's only to protect the blonde beauty from a stalker, but Ren's alpha instincts soon kick in.

The last thing Merrie wants is a devastatingly handsome man like Ren lurking around her. He's too experienced, too *appealing* for her already shot nerves. What she needs is just to get away from it all: the man haunting her waking dreams *and* the one hunting her like an animal. But no woman escapes this Colter cowboy!
