Daddy's Girl Charlotte Vale Allen

Emancipated long before anybody had heard of it, she escaped her family to save [her] life. The life that is recounted in *Daddy's Girl* is harrowing, yet the memoir is distinguished by Allen's heroic efforts to rescue and support herself, by herself. This memoir emphasizes - in addition to a commitment not to live life as a "walking wound" - the power of language.

Allen has always believed in the potency of words; she began writing as a child, and used notes to communicate with women she admired. She began writing fiction in order to get *Daddy's Girl* published, which supports the idea (central to confessional writers), that the self may be transformed by the self-in-writing.
