Home Healthcare: Wired and Ready for Telemedicine MA, MLS Audrey Kinsella

For nurses and nursing students, this volume provides a roadmap to the new frontier of homecare delivery-- home telemedicine. Five chapters describe tools and services in an easy-to-read style, and specifically address important concerns such as: Will telemedicine replace the home care nurse? and Is extensive computer training required? (The answers are: No and No.) More than one dozen case studies of effective use of home telemedicine are provided.
