In the year 2070, the body of a female Federal Time Anomaly Agent is found in an abandoned warehouse on the outskirts of Phoenix missing several organs. Powell, a struggling attorney, is arrested for the gruesome murder, and, despite his claims of innocence, is flung forward in time to a penal colony reserved for the most violent criminals. Powell finds himself fighting a sure death sentence in the harsh desert elements of the desolate future prison, deemed by many as New Alcatraz. Once there, Powell encounters Ellis, a mysterious prisoner who claims to be the person who helped establish the prison wasteland, and knows how to escape back to their present. Can Ellis and Powell do the impossible and escape from New Alcatraz? And if they do, will Powell be able to go back far enough to stop the murder that originally set him on this path?
