**A woman's unexpected connection to a nineteenth-century writer changes her life in the new novel from the author of *Crossing Washington Square***

Clara Fitzgerald's recent losses have set her adrift, personally and professionally. Remembering the stories her mother used to tell her, Clara decides to research her ancestry-only to uncover an extraordinary link to *Frankenstein* author Mary Shelley. With her sister in tow and the help of Kay, a retired Shelley scholar, Clara embarks on a search for the author's long lost journals and letters. As a bond among the three women grows, and as the profound connection between the past and present deepens, Clara comes closer to realizing where her heart truly belongs.
