The Artificial Ear: Cochlear Implants and the Culture of Deafness (Paperback) - Common By (author) Stuart S. Blume

Part ethnography and part historical study, *The Artificial Ear* is based on interviews with researchers who were pivotal in the early development and implementation of the new technology necessary for cochlear implants. Through an analysis of the scientific and clinical literature, Stuart Blume reconstructs the history of artificial hearing from its conceptual origins in the 1930s, to the first att
