The Other Side of Coins: A Farce Noel Alvarado

Life unravels itself behind closed doors where the true monsters hide. This is the story of two siblings on very different sides of a coin. Heads; On one side, Tyler's farcical tale involves: Chris's hidden past life, Penelope's odd behavior and accents, Baby Luke the sassy kitten, and more eccentric characters that hide in the shadows. Tails; On the other side, Jessica struggles with her faith, mental health, and Cassandra's need to hate her older sister. While her family and Tyler ignore her unstable undiagnosed mental illness, Jessica is influenced by Danny the ghost, a teenage boy who raped her when he was alive, in to killing everyone she knows. As their worlds somersault through various revelations and the thunder begins to resound, disaster ensues among their family. Which sibling will luck favor? Head or Tails? But once the smoke clears, which side will you believe?
