Things Are Going Great In My Absence-10th Anniversary Edition 2016 Lola Jones

This is not an ordinary book. It's an astonishing, mind-blowing, life-changing experience. It's beyond Law of Attraction, because it attunes you to the highly organized field of resonance that orchestrates the universe, so you get in the flow of life rather than struggling against it. Things Are Going Great In My Absence spread to over 139 countries by word of mouth, before it was in bookstores or on Amazon, because it works. Lola Jones guides you into a new paradigm where you no longer have to work on yourself, process issues, suffer, or struggle for your evolution. While many teachers can transform you in person, it's quite remarkable that Lola Jones can do it through a book. She created the book as a powerful vortex of Energy, Light, and Divine Intelligence that actually awakens you (or deepens your enlightenment.) It literally opens you up to let in more of the Grace that's been raining on you all along. When you're not able to let in that Grace, you can feel like you're dying of thirst in a rainstorm. We know, it might sound too good to be true-but it does work in your life if you simply read it, let it in, and stick to it.
