Two Miles to Tynecastle Andrew-Henry Bowie

Andrew-Henry Bowie is a passionate Heart of Midlothian Football Club supporter. He doggedly survived a tough childhood and found solace - sort of - in his overwhelming love of football. The author engages the reader with an energetic and animated account of his years as a Hearts fan and his early years growing up as an Edinburgh 'schemie'. Written with verve and a dry sense of humour Bowie entertains with recollections of a series of calamitous episodes; ironically these seemed to reflect the Hearts' ups and downs! The book is scattered with familiar references to the 80s and 90s; for anyone growing up during this period, this book will stir poignant memories.
