Jessica's X-Ray Pat Zonta

Featuring six real x-rays printed on mylar, **Jessica's X-Ray** is a unique and fun look inside our bodies and the world of x-rays written by a professional x-ray technologist who has worked extensively with children. In the book, kids follow Jessica, who has broken her arm, as she tours the hospital seeing x-ray rooms and looking at actual x-ray, CAT-scan, MRI and ultrasound images. These real x-ray images are printed on mylar so readers can see firsthand what Jessica sees. An identification key at the end of the book also helps kids pick out bones and muscles on their own.
