Discover the quiet magic of Chicago steel, American craftsmanship, and the way that time is indeed the revelator.

And what does time reveal? It reveals that which perseveres, and that which falls away.

In short, this book is a mash note to Chicago era steel. To forgotten bicycles still hanging in garages, waiting,

waiting. To fathers and sons. To love, to loss. To reclaiming well-made machines from the maw of time. To putting right what one can put right with one's own hands, and doing it well.

Chicago steel keeps it real.

Cheers, Geoff
