Tulip, a dachshund puppy, spots a butterfly outside her yard and runs after it. Stella, Tulip's mom, sees her and goes after her. In a moment they are lost. So begins their adventure. They meet a wise pug who puts them on the path to find Shona, a lady who has a rescue home for lost or abandoned dogs. They meet an Irish wolfhound who is homeless and a Cavalier King Charles Spaniel who was once held in a puppy mill. A compassionate story that touches on abandoned pets, puppy farms, the value of microchipping, and shows animals' love for one another, Stella and Tulip is as entertaining as it is heartwarming.
