The Three Musketeers (Graphic Revolve: Common Core Editions) L.R Stahlberg

D'Artagnan wants nothing more than to become a Musketeer. It's not just the fame and fortune he seeks in service of the King's army. He wants to be a part of something important. He wants to travel to new and exciting places. But what D'Artagnan wants most of all is love-- to be loved by friends, and to fall in love. He'll have a chance to find everything he desires--if only he can convince the Musketeers to let him join their ranks. These full-color graphic novels feature enhanced Common Core State Standards support, including discussion and writing prompts developed by a Common Core expert, an expanded introduction, and bolded glossary words. They're sure to hook even the most reluctant of readers.
