Understanding Business: The Core (Loose Leaf) William Nickels

We listened. You have asked us for a Nickels/McHugh/McHugh program that was briefer, high in quality, and affordably priced. We delivered. Understanding Business: The Core provides a flexible and proven-effective experience that enhances your teaching, improves student performance, and is accessible to all. Its 18-chapter format provides a briefer content coverage-all in a value-priced package. This briefer, value-priced package delivers a platinum experience that: Improves Student Performance-Understanding Business: The Core puts students at the center. It's the only learning program on the market to offer proven adaptive technology that increases grades by a full letter through Connect® Business, and the only program to offer the first and only adaptive eBook ever, SmartBook. Enhances your Teaching-The authors are dedicated to supporting your teaching and your student's learning, which is why they listen to YOU and develop resources based on YOUR suggestions and course needs. This is the only author-team on the market that carefully review each and every resource to ensure cohesion. Accessible to All-This learning program has moved toward tighter compliance with the Web Content Accessibility Guidelines, and provides students the opportunity to learn regardless of learning style or disability. What's more, it earned a perfect score of 100 points possible by Quality Matters, an independent organization that reviews and certifies the quality of online courses and online components.

From reader reviews:

Michael Chapman:

The book Understanding Business: The Core (Loose Leaf) will bring you to the new experience of reading a new book. The author style to explain the idea is very unique. If you try to find new book you just read, this book very suitable to you. The book Understanding Business: The Core (Loose Leaf) is much recommended to you to learn. You can also get the e-book through the official web site, so you can more easily to read the book.

Mora Miller:

This Understanding Business: The Core (Loose Leaf) is great publication for you because the content which is full of information for you who have always deal with world and get to make decision every minute. That book reveal it information accurately using great organize word or we can state no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with wonderful delivering sentences. Having Understanding Business: The Core (Loose Leaf) in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no publication that offer you world with ten or fifteen moment right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt that will?

Benjamin Holmes:

Reading a book being new life style in this 12 months; every people loves to go through a book. When you study a book you can get a lot of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, and soon. The Understanding Business: The Core (Loose Leaf) provide you with a new experience in reading a book.

Alberto Meyer:

Is it you actually who having spare time after that spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Understanding Business: The Core (Loose Leaf) can be the respond to, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this new era is common not a geek activity. So what these publications have than the others?
