Titles in the popular and growing series of *Little People Shape Books* portray kids dressed up to fit many different grown-up roles, or in some titles, imaginative roles inspired by favorite children's stories. Heavy board covers and pages are die-cut so that when the books are closed they take the shapes of the cheerful boy or girl shown on the cover. The color-illustrated stories inside are easy for beginning readers, or perfect for reading aloud to pre-schoolers. When the covers are closed, the books present an appealing, layered, three-dimensional effect.
